

atrain is a global leadership consultancy with offices in Germany, the United States, Hong Kong and Brazil. We support our international clients by designing and delivering holistic and cutting edge solutions in strategic talent management, executive assessment, leadership development, change management and organizational development.

Internship Questionnaires and Analyses

LOCATION: Bamberg, Germany
CONTRACT TYPE: Temporary, 3-6 months
START DATE: Flexible

Do you want to be part of a dynamic and fast growing company? Do you enjoy collaborating with a diverse and international team in a great work atmosphere? Do you appreciate autonomy and embrace challenging work? Are you motivated to continuously learn and develop? If so, join us in shaping the future in leadership and organizational development!

WHAT WE OFFER

- A multinational and intercultural work environment while living in one of Germany's most beautiful cities (UNESCO heritage)
- Adjusted contents and level of autonomy according to your level of qualification
- Possibility of developing a thesis (bachelor or master) based on your internship
- Designing and conducting empirical studies (e.g. evaluation studies, norming studies)
- Supporting the development of new products at atrain
- Using statistical methods to validate questionnaires, e.g. in the fields of leadership development
- Using online tools such as 360° feedback in creative ways
- A net income of 670 Euros per month

WHAT WE EXPECT

- Enrolled in a bachelor or master's program in psychology, human resources or a similar course of study
- Very good knowledge of quantitative methods
- First experiences with SPSS and designing online questionnaires
- Fluent in English and intercultural experience
- Proficient in Microsoft Excel
- Ability to work autonomously and take on responsibility

Please apply in English or German by sending your resume, a letter of motivation, secondary school diploma and transcript of records to internship@atrain.de. In your application, please state your preferred internship period and the reference number Q-2014-10-DEU-801. If you have any questions, you can contact internship@atrain.de.

We are looking forward to receiving your application!
